RX MMA Deco Screed

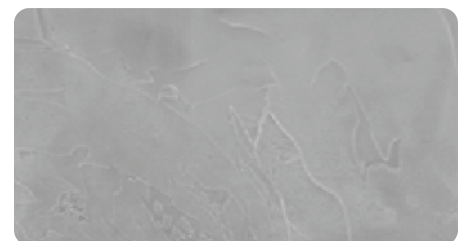

Introducing the latest innovation from Robex: stunning MMA concrete-style floors. These floors boast distinctive decorative coatings, offering an array of creative and attractive finishes that are truly one-of-a-kind. With a dynamic and ultra-modern design, they inject vibrancy into everyday spaces. RX MMA Deco Screed is available in various shades of grey. The finished colour is determined by the base colour which ranges from medium-grey to black. Its quick curing time makes the product suitable for a wide range of establishments including restaurants, boutiques, furniture stores, bars, and public buildings, where exceptional design and premium quality are non-negotiable.

Features and Benefits

- Incredibly fast turnaround time when compared to conventional resin systems, achieving a full cure in less than one hour
- Offers high resistance to both impact and mechanical wear.
- Decorative, abstract, one-of-a-kind finishes.
- Excellent stain and chemical resistance.
- Hygienic and easy to clean.

Available Colors

RX MMA Superfast Flake

Introducing RX MMA Superfast Flake, the ultimate way to transform your flooring. This product offers a hard-wearing, highly decorative resin flooring system based on the rapid curing MMA (methyl methacrylate) technology. It has been developed for rapid installation in high-traffic environments that require a quick turnaround. It is perfect for hotels, leisure facilities, retail outlets, universities, schools and colleges, healthcare facilities, offices, and commercial buildings.

Features and Benefits

- Incredibly fast turnaround time when compared to conventional resin systems, achieving full cure in less than one hour.
- Offers high resistance to both impact and mechanical wear.
- It can be rendered non-slip to varying degrees as per the operational needs.
- Available in various colours, providing clients with multiple opportunities
- Decorative finish available in a range of colours.
- Excellent stain and chemical resistance.
- UV resistant
